Palm Beach Road, Sector 18, Nerul,
Navi Mumbai, 400706, India

ABOUT

I play badminton, swim, cycle a lot, like reading technical manuals, designing, listening to music, rafting, building stuff, mathematics and am also extremely fond of playing with electrical circuits. I like perfection, everywhere.

Being kind of a problem solver and very competitive, I have the energy and enthusiasm required to cycle to any destination.

I am keen to do research and help develop humanity as a whole, and will keep searching for opportunities to do the same.

COMPETENCIES

C++, Python, Java, PHP, AngularJS, CSS, JavaScript, Wolfram Language, Human Computer Interaction, Team management
Also used: Electron, TensorFlow, NumPy, NodeJs, SQL
